Dear Mr. Kothe:

Re: Philip Morris Incorporated
Mexican Patent Appln. 64,377
File 582-338

1. Thank you for your letter dated September 16, 1966. Please be advised that a reply will be filed to the outstanding Official Action in this case along the lines indicated by you.
2. Accordingly, an argument will be advanced objecting to the Examiner's proposal for revising claim 1. However, we may be ultimately faced with the prospect of limiting this claim.
3. We will let you know as soon as a further report is received in this case.

Very truly yours,
